The course is aligned with the American Liberty University, based in California and Alabama. The ALU is one of the fastest growing State registered Universities in the USA today.

The Academy of Oriental Medicine is approved by the Institute for Complementary Medicine (ICM) / British Register of Complementary Practitioners (BRCP), associations to which we advise on all matters concerning Oriental Medicine,

The course starts every September and has a maximum intake of 10 students per class; this is to

ensure a closer relationship and supervision with staff members and instructors.

The price for the three years is £9840.00

This is broken down to: £600 deposit & £1026.66 every September, Jan and May for the three years of the course.

The Academy also offers annual trips to China for clinical practice and specialist tuition. This is at an additional cost with price on application.

YEAR 1
